

Fall 2025 Registration Guide for AAE Graduate Students

Registration for fall courses begins **March 24 – April 15 at 5pm** and then again **April 28**, forward.
(Please register in the first window as some classes tend to fill up VERY quickly.)

Retrieve Registration PIN and check for any holds

- Retrieve your registration PIN at <https://engineering.purdue.edu/BannerPin>

Reminder: You may need to submit a plan of study for your PIN to be available. MS students must submit a plan of study before registering for their second semester while PhD students must submit one before registering for their third semester.

Resources available on our [plan of study webpage](#).

- Be sure to check myPurdue for any registration [holds](#) that may prevent you from registering.
- Time tickets open at various times on Mar. 24, check your specific time under “Registration Notices” in myPurdue

Adding classes via Scheduling Assistant in myPurdue

- The Fall 2025 schedule of classes will be available to view in myPurdue on **Monday, March 17, 2025**
- To add your course(s) once registration opens [locate and use the Scheduling Assistant](#) in myPurdue. If you need an override for the course the system will ask you if you’d like to submit a request for approvals.

Consult with your advisor and/or your existing plan of study

- Contact your faculty advisor or the Graduate Office to determine if the courses you selected are appropriate, or refer to your approved Plan of Study if you have one in place.
 - You, with your faculty advisor’s guidance, are responsible for following your plan of study, updating your plan of study as needed, satisfying qualifying exam conditions (PhD), etc.
 - For **incoming students**, you can reach out to aaegradoffice@purdue.edu or Prof. Sun for first-semester course selection advice, or, reach out to professors in your major area of interest for advice. You will spend your first semester identifying a faculty advisor and finalizing your plan of study for future semesters. New on-campus MS students in the first semester usually choose to take a course to fulfill the math requirement in addition to two major area courses, or, one major area course and one minor area course. We recommend our distance students consider taking only one course in the first semester.

Thesis research (Summer requests are due by **noon on Thurs. May 22nd**; Fall requests due by **noon on Fri. August 29th**)

- To register for thesis research, send the Grad Office (aaegradoffice@purdue.edu) an email with the following details:
 - Your PUID
 - Semester of registration request (specify Summer or Fall 2025)
 - Course number (699 or 698)
 - Your professor’s CRN (see below pages for lists of CRNs or you can find this in myPurdue)
 - The amount of credit hours you would like to have added
 - Copy your advisor on the email request
- If you will be conducting **off-campus research**, please also submit a [Form 19](#)

It is your responsibility to check your registration in myPurdue to confirm that your request has been correctly processed (correct professor, correct amount of credit hours, etc.)

Candidacy/ Graduation (required of ALL students intending to graduate in August or December 2025)

- To declare candidacy to graduate in August or December 2025, request to register for CAND 991 in the Scheduling Assistant by **June 13 (August candidates)** or by **Sept. 19 (December candidates)**. This applies to all MS non-thesis, MS thesis, and PhD students intending to graduate. It is not automatic and students must register candidacy. Research students intending to graduate must also be in research hours. PhD and MS thesis students requesting exam-only candidacy email aaegradoffice@purdue.edu. See the candidate process [here](#).

SUMMER 2025 Research CRNs

Course	Course Title	CRN	Professor
69800	MS Thesis Research	10020	Alexeenko, Alina
69900	PhD Thesis Research	16166	Alexeenko, Alina
