

Purdue University Mechanical Engineering Ph.D. Design and Manufacturing Area qualifying exam

Topic Registration Form

Instructions: Make sure you have registered for the area exam(s) with the Area Exam registration tool, <https://engineering.purdue.edu/ME/Graduate/OnCampus/Exams>, **first**. Then, if you registered to take the Design area exam, please complete this form and email to Prof. Benxin Wu, wu65@purdue.edu, for your topic to be pre-approved. Your topic must be pre-approved before attending the design and manufacturing area exam, or you will not pass the area exam.
