

Opportunities at PNNL

-A Seminar

Thursday, August 29, 2024

9:30am | LMBS 5281S

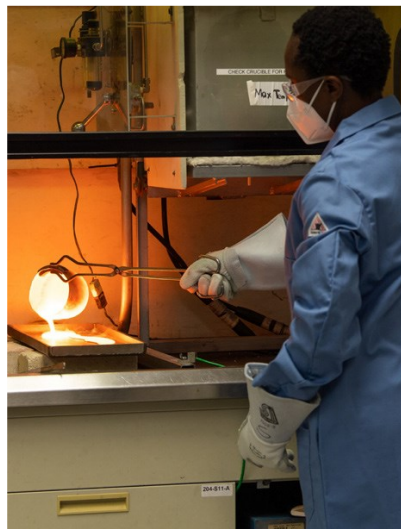

Pacific Northwest National Laboratory (PNNL) is seeking to fulfill several positions. The seminar will present opportunities at PNNL and will be discussing available positions. PNNL is looking for Undergraduates, Graduates, and Post Doctoral researcher positions. If you are interested bring your CV and join us.

9:30-10:30 Discussion of opportunities

10:30-11:30 Open House

Host: Dr. Guoqing Wang, PNNL

Guoqiang Wang, ASME Fellow, is a chief engineer at National Security Directorate in Pacific Northwest National Laboratory (PNNL). Before his current role, Dr. Wang was a Consulting Engineer in the Methods and Technology Department of Westinghouse. He had worked for Westinghouse Electric Company LLC for 23 years.
